Work on the new toilet facilities has now commenced. It is hoped that the work will be completed in the next 6-8 weeks and disruption in the Church should be minimal. However, please be aware that there may be additional vehicles and building materials in the car park during this time and particular care should be taken to ensure children are supervised at all times.

Vandalism in the new grave yard: A number of recent incidents of vandalism and theft have led those affected to ask if it would be possible to have CCTV installed. A quote has been obtained and installation will go ahead in the next few weeks. Anyone who feels that they would perhaps like to contribute towards the cost should speak with Fr.
